ILLINOIS HOME WEATHERIZATION ASSISTANCE PROGRAM

CEDA's Weatherization Program is a year-round program that uses state-of-the-art technology to increase energy efficiency in the homes of income-eligible residents living in Chicago and suburban Cook County.

Weatherization repairs or replaces older furnaces, installs heat-saving insulation and seals bypasses to conserve energy. These measures keep homes warmer in the winter and cooler in the summer.

MULTI-FAMILY ILLINOIS HOME WEATHERIZATION ASSISTANCE PROGRAM (IHWAP)

The Multi-Family Illinois Home Weatherization Assistance Program (IHWAP) is for building owners who provide housing to income-eligible residents in Chicago and suburban Cook County.

The program is at no cost to the building owner, if 66% or more of the tenants are income-eligible.

DOCUMENTS NEEDED TO APPLY:

- Annual income for each member of the household 16 years and older
- Proof of Social Security numbers for all household members
- Proof of Ownership of the dwelling – current tax bill, mortgage statement or recorded mortgage

Multi-Family (IHWAP)

- Proof of Ownership
- List of tenants, their estimated income, and number of vacant units
- Assessment of building to determine the best measures to reduce energy use and maintenance costs

SERVICES

Weatherization work may include:

- Attic and wall insulation
- Draft sealing
- Furnace and boiler improvements
- Safety testing of gas appliances
- Window and door repair and improvement
- Refrigeration and freezer upgrade
- Lead abatement
- Environmental programs
- Healthy Homes

ARRA FUNDS FOR HOME WEATHERIZATION ASSISTANCE

In efforts to put people back to work and reduce the country's dependence on foreign oil, the American Recovery and Reinvestment Act (ARRA) makes significant investments in renewable energy, energy efficiency and green technologies.

The Illinois Home Weatherization Assistance Program helps income-eligible households improve their homes, reduce their energy consumption and lower their utility bills. Energy conservation measures are provided free of charge to eligible households.
