

FOOD PANTRY

CEDA's food pantries are designed to meet the emergency needs of the community. Clients wishing to use the pantry may do so any one time during the calendar year. If an individual or a family has a recurring food need, they will meet with a program services staff member to assess their particular situation. Dependent upon family size and demonstrated need, clients will receive a given number of packaged dry food items and canned goods.

Please Support our efforts by holding a food drive at your business. We are asking for the following types of donations:
