

GAS AND ELECTRIC

We help you pay for your gas & electric bills through the LIHEAP (Low-Income Home Energy Assistance Program). See below to learn how to apply today.

WHAT IS IT?

For many households, utility bills can place stress on a family's budget. In some cases, the household may be forced to make difficult decisions, such as sacrificing certain necessities in order to pay their energy bills. LIHEAP hopes to take some of that stress away and keep utilities running.

HOW DOES IT HELP? YOU RECEIVE

ONE TIME BENEFIT provided to eligible households towards your gas and electric bill.
