

HOME WEATHERIZATION

This program helps clients save energy, as well as keeps their homes warmer in winter and cooler in summer.

WHAT IS IT?

Our program makes homes safer and more comfortable. Weatherization improvements also make buildings more energy efficient, lowering energy bills in the long run.

HOW DOES IT HELP? YOU MAY RECIEVE

- SEALED** drafty areas
- INSULATED** attics, walls, basements, and crawl spaces
- REPAIRED OR REPLACED** heating systems
- ENHANCED** indoor air quality and ventilation

DO I QUALIFY?

You must meet the income guidelines. Our program works on single-family and multi-family homes. The home needs to meet minimum structural requirements.

Household Size	1	2	3	4	5	6	7	8	9	10
Annual Gross Income	\$27,180	\$36,620	\$46,060	\$55,500	\$64,940	\$74,380	\$83,820	\$93,260	\$102,700	\$112,140

If you receive SSI, AABD or TANF benefits, you automatically income-qualify!

WHAT DO I NEED TO DO? APPLY TODAY!

You can apply for the weatherization program from the safety of your home by calling a CEDA partner intake site. Locate the site closest to you at www.CEDAorg.net/sites.

DOCUMENTS NEEDED

- ✓ Proof of 30-day gross income for 18+ household members
- ✓ Current copy of gas and electric bills
- ✓ State issued ID or driver's license for the head of the household
- ✓ Proof of social security numbers for all household members: (social security card, letter of printout from social security, or any other government-issued identification showing name and social security number)
- ✓ Proof of home ownership (current property tax bill, current mortgage statement, recorded deed, or mobile home title)
